## **Item 8.01 Other Events.**

On November 20, 2013, Lawson Products, Inc. (the “Company”) entered into an agreement to sub-lease a portion of its leased headquarters. The Company expects that it will receive estimated cash proceeds of approximately \$2.9 million throughout the sub-lease term that expires March 31, 2024. Under lease accounting rules the Company will record a fourth quarter charge of approximately \$2.9 million, primarily representing the net difference between the Company's scheduled lease payments and expected proceeds from the sub-lease, as well as related asset write downs. However, the Company will realize approximately \$5.2 million in reduced operating costs throughout the remaining lease term that it otherwise would have incurred had the sub-lease not been entered into.
